4th October 2022

Dear Parent/Carer,

We are delighted that – on **Sunday 16th October** – we will again be hosting **the Farlingaye Makers' Market**. This event, a replacement for the old Craft Fayre, began last year and was extremely successful. We anticipate another wonderful event this year and would very much welcome your attendance. The event will run from **10am until 4pm**. There will be a large number of stalls displaying high-quality and original crafts, and there will be refreshments available throughout the day.

There will also be a raffle and a tombola. We already have a number of excellent prizes for both the raffle and the tombola but would love to have more. If you do have anything that you think you could donate, please deliver it to the school reception before the afternoon of Friday 14th October, or give it to your child to deliver. If 'regifting', please make sure that the goods are in good condition and – if perishable – in date.

Please note that entry to the Makers Market will be free, but you can make a voluntary donation on entry if you choose to do so.

We know that there are many fantastic bakers within the school community, and we have benefited in the past from donations of cakes for the Makers' Markey/Craft Fayre. If you are able to make and bring in a cake, either in advance or on the day of the event, this will be a great addition to our refreshments counter and will help significantly to raise funds. If the cake you are making requires refrigeration please bring it with you on the day of the event and give it to the helpers on the door who will arrange for it to be stored appropriately. Cakes which do not require refrigeration can be brought on the day or left with reception at any point before the afternoon of Friday 14th October.

I am sure that the Makers' Market will be a lovely day for the Farlingaye community. I look forward to seeing you there. If you have any questions about the event, please contact me.

Yours sincerely,

Dr A Sievewright
Headteacher
