Dear Year 6 Student,

I thought now might be a good time to write to you and introduce myself. I am Mr Macdonald and I am going to be your Head of Year when you join Farlingaye in September. Usually we would meet you on the Year 6 Intake Day and at your New Intake Interview but unfortunately, due to Covid, we were unable to do this. However, we are really looking forward to meeting you all in September and I am sure you are going to have a fantastic time when you join us. There are so many opportunities that you will be able to take advantage of. I will be looking after you day to day, so you can come and see me whenever you have a problem or need to know something. I am supported by Miss Mardle and Miss Messer who are the Assistant Heads of Year 7, and of course your tutors who you will get to meet in September and who you will see every day. You will also get to know Mr Read who is one of our Assistant Headteachers and he has oversight of Years 7-9.

To help us out, it would be really useful if you could tell us some things about you on the sheet provided. We can then share this with your tutors and other important members of staff so that your transition to Farlingaye is as smooth as possible. Miss Mardle has very kindly created an information sheet and a postcard for you to fill in and return to us where you can tell us all about yourself, what you like doing and what you are looking forward to at Farlingaye. You can send these in or bring them with you on your first day.

I hope you enjoy the last few weeks of Year 6, if you are one of the students who are back in school or that you keep yourself busy if you are going to be working at home. I also hope you have a good summer break and are feeling positive about joining Farlingaye in September. I will look forward to meeting you then.

Take Care and Stay Safe,

Mr P Macdonald, Year Learning Coordinator
