Dear Parent/Carer

### Recycled Uniform Shop

Unfortunately, due to the current situation with COVID-19, we are unable to open our second-hand uniform shop as we usually would.

We are, however, able to respond to requests for uniform as long as you know your requirements. If you are unsure of sizing, please look on the Coes website, and refer to their Size Guides next to each item of clothing: <https://www.coes.co.uk/pages/farlingaye-high-school>. We often get requests for uniform for a "14 year old" for example, however items are usually labelled by body measurements: e.g. jumpers in chest sizes (32", 36" etc.) and boys' shirts by collar size.

Please email your requests to [dwaters@farlingaye.suffolk.sch.uk](mailto:dwaters@farlingaye.suffolk.sch.uk), and we will check the uniform store and let you know if we have it in stock. A price list is attached, although we do not have all items in all sizes. Uniform can be paid for and collected from Reception, and we would appreciate payments by the exact amount of cash, (as Reception do not hold change) or by cheque (payable to East Anglian Schools Trust).

Currently, we have very little PE uniform in stock as it is relatively new and not much has been recycled. It is always worth asking though, as we are getting donations all the time! We usually have most jumper sizes and a good selection of boys trousers which come in either age or waist size. We have some girls' trousers and skirts, also boys' shirts and girls' blouses in varying sizes, both long and short sleeved.

I am sorry that we are not able to let you come in to school and let your young person try on different things as we did in the past, but I am sure you understand that we are having to limit visits to the school site.

I hope we will still be able to help where needed, and we are always grateful for donations of good quality recycled uniform, which can be left in our Reception at any time during the school day.

Kind regards

Debbie Waters
