14th July 2022

Dear Parents / Carers,

School uniform for September

I would like to take this opportunity at the end of the school year to remind all our parents, carers and students about the school uniform in September.

I hope that this will give everyone time to source any new items needed and ensure that all students start the new school year in correct school attire.

As well as giving a sense of belonging to the school, uniform is also important in helping to establish a good working atmosphere. Our uniform is chosen to be practical and affordable and we are reliant on the support of parents and carers in ensuring that all students are appropriately dressed for school.

Students who wear items that do not comply with the school uniform will be asked to change into uniform and their own items will be returned at the end of the day.

We do have a recycled uniform shop; offering good, clean second hand items - [Farlingaye recycled uniform](#) . If you do have any specific queries or requests regarding recycled uniform, please email Mrs D Waters - ([Mrs D Waters- Uniform](#)).

I would also like to remind you that students should come into school in uniform and change into PE kit for their PE lessons / clubs.

The uniform list can be found at the end of this email. Please note recent adjustments to PE leggings, and PE polo shirt, as well as allowing black tailored trousers. In line with the latest government guidelines, we have made these adjustments to assist with accessibility and cost.

If you have any concerns about your child's uniform, please contact the year co-ordinator.

Thank you for your support, and I would like to wish you and your families a peaceful and relaxing break.

Yours sincerely

Mrs L Rudge
Assistant Headteacher
