Monday 14th September 2020

Dear Parent/Carer,

As you may be aware, the weather forecast for the coming week suggests that we will have a lot of hot weather and therefore we are moving to our Summer Uniform arrangements for this week. This means that students will not have to wear their school jumpers to, or around school, if they do not wish to. Tutors have informed students of this change.

In addition, please do ensure that your child brings a water bottle to school with them this week. As students may require additional hydration, we are making water available to all students in the School Dining Hall at the end of lunchtime.

On a separate matter, please do remind students that there is maximum occupancy in all toilets and we would ask that they follow the instructions provided to them in relation to this matter.

Many thanks and best wishes.

Yours sincerely,

**Dr Andrew Sievewright**  
Headteacher
