Hello, we are **Jean-Baptiste Bonniot** and **Sam Garratt**, Y12 students. Since October 2022 we have been running a car wash and garden service business, with the support of our friend **Joshua Smith**.

50% of profits go to **Jetty Lane**, a charity which aims to build a new youth, arts and community centre to benefit all the local area (registered charity no.: 1184713) and create a leading Youth Hub fostering creativity and culture. The other 50% go towards a train challenge where we try to ride on **all 23 Train Operating Companies** in Great Britain in under 24 hours.
