

18th March 2026

Dear Parent/Carer,

### Year 12 Brafe Engineering Trip

As part of our extracurricular activities here at Farlingaye High School, we endeavour to introduce students to the world beyond school to broaden their experiences. This year, our Year 12 Design Technology students have been working on a project with Brafe Engineering. They have been using industry standard 3D modelling software to design a trophy for the school. These were judged by Brafe on a number of criteria and Brafe have now happily offered to cast the winning design for us. To coincide with this the school has managed to organise a trip to see the casting, along with a tour of their extensive facilities.

As Brafe is within walking distance and staff are taking students during non-teaching periods, we are able to offer this trip for free.

On the day of the trip, **Thursday 16th April**, we will be looking to leave from the front of school at **13.25** and return at approximately **15.30**.

Parents should be aware that it is school policy that participation in a trip will be dependent on staff feeling confident that your son/daughter will behave appropriately. In particular, poor behaviour between now and the date of the trip is likely to result in your child being withdrawn from the trip. The decision of the Headteacher on this matter is final.

If you are happy for your son/daughter to attend this trip, please complete the return slip below and hand it back to Mr Wetherell by Friday 27th March.

Yours sincerely,

Mr A Wetherell  
Second in Technology
