

Name of student \_\_\_\_\_

Below is an overview of the Key Stage 4 curriculum for years 10 and 11 for 2024 - 2026. The Core is compulsory, and you have 4 free option pools to choose subjects from. Please circle ONE choice in each of the free option pools.

**Deadline for handing in is WEDNESDAY 14<sup>th</sup> FEBRUARY 2024**

| Core (compulsory) | Free option pool A                            | Free option pool B   | Free option pool C | Free option pool D                  |
|-------------------|---|--|--------------------|-------------------------------------|
| English           | Art*  | Art*   | Art Photography*   | Art*                                |
| Maths             | Business Studies                              | Business Studies   | Business Studies   | Business Studies                    |
| Combined Science  | French  | Digital Information Technology   | Computer Science   | Child Development & Education       |
| PE                | Geography                                     | Drama  | Drama              | Computer Science                    |
| PSHE              | German  | Geography  | Geography          | Food and Nutrition                  |
|                   | History                                       | Health and Social Care   | German             | Geography                           |
|                   | Health and Social Care                        | History  | History            | Graphics with Systems and Control** |
|                   | Psychology                                    | BTEC Music Practice  | Music              | History                             |
|                   | Philosophy, Religion and Ethics               | GCSE PE  | GCSE PE            | Resistant Materials**               |
|                   | Resistant Materials**                         | Psychology   | Psychology         | Sociology                           |
|                   | Separate Science                              | Philosophy, Religion and Ethics  | Sports Studies     | Separate Science                    |
|                   | Textiles*                                     | Sociology  | Travel and Tourism | Spanish                             |
|                   | VCert Food and Cookery (agreed via Mrs Moore) | Spanish  |                    |                                     |
|                   |   | Sports Studies   |                    |                                     |
|                   |   | Bespoke offer from Learning Support which could include ASDAN, Farlingaye certificates in Health and Fitness and/or Customer Service and covering two or three option pools (agreed by Mrs Moore and assessed by level of SEND need) |                    |                                     |

EBacc subjects are shaded for your information. **All students have to choose at least one shaded subject** unless by prior arrangement with Miss Gilmour or Mrs Moore, and this would be due to a documented SEND or medical need.

\* Can only be chosen once across the pools – they are all a GCSE Art qualification

\*\* Can only be chosen once across the pools – they are all a GCSE Design Technology qualification
