Friday 10th June 2022

Dear Parent/Carer,

Activities Week 2022

Thank you for your patience and support while we worked through student choices and allocated places for activities week this year. We felt that we should write to you again to let you know your students selections for activities week in case these have changed since our last communication.

I am pleased to advise you that your child has been given a letter today confirming the activity/activities that they have secured for activities week.

If your child did not receive a letter in school today, they have not yet secured any choices for activities week. Therefore, if your child would like to take part in activities week, please ask them to speak to their form tutor or Head of Year.

All activities with a pay element will be set up on ParentPay after half term. Please look out for a notification from ParentPay when the item becomes available.

Please note the deadline for payments is the 24th June 2022. Students who have not made payment by this date may be removed from the activity.

If your child has secured a place on a free activity you do not need to take any further action.

If your child has still not been successful in securing a place on either one, or both, of their chosen 2 day activities (i.e. the table is blank for those days), they will be invited to a meeting in the next few weeks where they will be able to select an activity which they would like to participate in from a list of available places.

Please do not hesitate to contact me at the school if you have any questions.

Yours sincerely

Miss L Gilmour
Deputy Headteacher
