

April 2026

Dear Parent/Carer

We are sending this home to let you know about an upcoming athletics event in case it might be of interest to you. It explains how to enter the County Schools Athletics Championships should your son/daughter be interested in it. Please see below for information:

The online entry system (see below link) has just opened for the Suffolk County Track & Field Championship, which will incorporate the Suffolk Schools Competition.

<https://data.opentrack.run/en-gb/x/2026/GBR/suffolk-tf/>

The competitions will be held at Bury St Edmunds on Sunday 10th May.

More details can be found on the [Suffolk Athletics Website](#) and the [Suffolk Schools Website](#).

Please note that this event is not organised by the school and parents/carers would need to enter via the website and arrange transport etc. It is however a very welcoming and enjoyable event and we hope it will be of interest to some families.

Yours faithfully,

Kate Alexander

Head of Physical Education
