Dear Parent/Carer,

## Re: Year 11 Careers Checklist

As Year 11 move into the next steps of their careers, I know they will be focusing on their academic success. It is important that they also make sure they are prepared for their post 16 pathways.

Sixth form application deadlines are current – some will have passed, but you can always submit a late application. Some college courses will be filling up and so applications need to be made as soon as possible.

So over Half term I'd like you to make sure the students have all considered the checklist from Mrs Wild and if you have any queries, please do contact Mr Brooks, Mrs Wild or myself and we will do our best to help.

I hope you and your Year 11 has a lovely Half term.

Best wishes,

Catherine Laird  
Assistant Head teacher
