Dear Parent/Carer

RE: St Elizabeth Hop to It! Learning and Community programme - Non-Uniform Day

I am delighted to announce that as a school we are proudly supporting the St Elizabeth Hop To It! Learning and Community programme. Following on from the success of Elmer's Big Parade and the Little Hoot we are excited to start decorating our Hare in preparation for the art trail. It is once more set to be one of the biggest art events in Ipswich this summer.

As part of our involvement in the fantastic project we are raising money directly for the St Elizabeth Hospice. The hospice is constantly developing to meet the needs of people in the local community. Their aim is to help people living with a progressive illness to take back their independence and live the life they have to the full. They support more than 2,000 people each year and the need for their services is growing. They have recently developed a young adult group supporting young people aged 14 and up with care tailored to their needs.

Our Sixth Form Charity Committee would like to invite your child to join in our non-school uniform day on the last day of term, Friday 4th April. In order to support this event, we would welcome donations via parentpay.

If you would like to learn more about the project, information can be found on their website Hop To It! Suffolk 2025 - St Elizabeth Hospice.

Thank you for your assistance with this and we hope your child/children enjoy the day and help to raise funds for a very good cause.

Yours sincerely

Mrs R Johnson & The Sixth Form Charity Committee
