

5<sup>th</sup> December 2023

Dear Parent/Carer,

I hope this letter finds you well.

With Christmas on the horizon, it seems to be the perfect time to recommend some of the books we have been using as part of our Literacy Weeks, as well as a few titles which have been chosen by our subject leads. Our hope is that your children might enjoy some of the books; we also think they might be perfect gifts!

Reading is the single most effective way to improve students' overall progress and performance. We are working hard with our students to embed skills they will need to access texts throughout their lives. Please encourage your child to have a look through the Christmas Reading List.

All students are able to access eBooks from <https://farlingaye.eplatform.co/> throughout this academic year. Students can login using their school email address and the password library1.

Happy reading,

Mrs S Deverson-Dean

**Whole School Literacy Lead**
