21<sup>st</sup> October 2021

Dear Parent/Carer

**Re: Covid Vaccinations – 21<sup>st</sup> October 2021**

The school has hosted the NHS immunisation team today. A number of COVID vaccinations have been completed for consenting year 10 and year 11 students, in line with the NHS online portal for consents.

Due to staffing levels within the nurse practitioners team and the time taken to vaccinate each child, consenting years 8 and 9s plus 12-year-old year 7s were not vaccinated today. We have not been advised of a second date, but are of the understanding that community vaccination centres will be expanding their service to 12-15 year olds. The availability of access to these centres will be publicised locally and nationally via the NHS, rather than through school.

Regards,

Ms L Gilmour  
Deputy Headteacher
