Dear Parent/Carer

**Current Year 10 Work Experience - please use the link at bottom of this letter**

Apologies for earlier communication with broken link to the work experience form. Thank you if you have been in contact recently in regard to work experience for the current Year 10 moving into Year 11.

We appreciate that it is not ideal that we are unable to offer placements through school at present for Year 10 moving into Year 11. However, we have encouraged all students moving into Years 11, 12 and 13 to make the most of the opportunities which circulate through the Website and Students school email accounts, obviously avoiding key dates in the school calendar e.g. exam periods.

If as parents you have an independent opportunity for your child in Year 10 moving to Year 11 to undertake work experience for up to a week, we would ask that this is undertaken **prior to October half-term 2023**. Could we ask you to complete the form to update us, using the link below, or the QR Code attached, so that we can support them to be released from school to attend the placement. We can not authorise any work experience leave without consent from parent/carers.

Yours sincerely
