2nd November 2021

Dear Parent/Carer,

You may be aware that our Multi Academy Trust was accredited by the Department of Education to become a Teacher Training Provider in 2020. We have 46 trainees, currently training with us across 34 schools throughout Suffolk. As a SCITT (school centred initial teacher training) provider we are able to train both primary and secondary teachers using the expertise we have here and across the partnership of schools we are working with on this exciting initiative.

We are promoting and recruiting to our Primary & Secondary programmes for the Academic Year 2022-2023 immediately, with all applications being accepted from 12th October 2021. Full details of our programmes, opportunities for potential applicants and how to apply can be found on the website <https://www.eastscitt.co.uk/>

Welcome to EAST SCITT. EAST SCITT has been formed and is run by a partnership of schools in Suffolk committed to excellence in the classroom. Established by three schools all judged at Outstanding or Good by OFSTED, we see EAST SCITT as the most effective way to find and develop future teachers to work in this vibrant county.

As a Multi Academy Trust (EAST) and a school, we have always been committed to training the next generation of teachers and have been involved in a variety of other programmes. We are the first school provider in Suffolk to be offering such a route into the profession and we are excited to support those thinking about teaching.

We have already hosted several exciting taster events, and our next "Thinking of Teaching" will be taking place online on Monday 8th November between 5pm and 7pm, so please do book on to this either via the website or by contacting Jenny Ellis on 01394 389178 or 07709 138257, if it's relevant to you.

Best wishes,

Peter Smith
Deputy Headteacher
