

3rd December 2024

Dear Parent/Carer

Farlingaye are once again part of a government scheme offering an undergraduate internship in teaching for 3 weeks in the 2025 summer term. We'll be offering a programme that will provide a taster of what it's like to be a teacher, work in a school and engage with young people. We will be offering classroom experience and there will be involvement with students in a range of opportunities and situations. This will be a paid internship of **£425** a week.

Applicants will need to be an undergraduate studying for a degree in STEM-related subjects (physics, chemistry, maths, engineering, computing) or foreign languages and are potentially interested in teaching at a later date.

The deadline for application submissions is **Wednesday 26th March 2024** and the programme will run between Monday 23<sup>rd</sup> June 2025 and Friday 11<sup>th</sup> July. Please find attached a flyer detailing the programme.

If you know anyone who may be interested, they should contact [ecolton@farlingaye.suffolk.sch.uk](mailto:ecolton@farlingaye.suffolk.sch.uk) in the first instance.

Yours sincerely,

Ellie Colton  
Deputy Headteacher  
Farlingaye High School
