

12th June 2024

Dear Parent / Carer,

I hope you are well.

One week to go to The Big School Camp 2024!

I will be holding an assembly on Friday 14th June with Mr. Brooks to run through the days, expectations and any final questions the students might have. All tent lists and groupings will be finalised on Monday and shared before the camp.

We have two small updates to share with you. Firstly, we are hoping to be able to get an ice cream van on site after the barbeque. We had previously said no money would be needed, but if students would like one after dinner, they can bring a couple of pounds to cover the cost of an ice cream.

The other update is regarding pick up at 2pm on Friday. Students are still ok to get the buses as normal, but due to the number of cars that would arrive at the bus park, for safety, we will have two pick up locations.

- If your child's **surname is A-K**, please now collect from the **front of school**.
- If your child's **surname is L-Z**, please collect from the **bus park** as planned.

All details remain the same and links to previous letters can be found below.

Once again, thank you so much for supporting our Y7 Big School Camp and I'm sure the students will enjoy the days and develop so many important skills and friendships over the two days.

Yours sincerely

Mr. J Lampard
Assistant Headteacher

Mr. J Brooks
Year 7 Learning Co-Ordinator
