8th November 2021

Dear Parent/Carer,

Please see the attached consent form, which relates to the flu immunisation for students programme, to be carried out at Farlingaye by Vaccination UK Ltd, on behalf of the NHS. The Vaccination UK team will visit Farlingaye on 16th December to carry out the immunisations, and will collect consent forms from the school on 2nd December. Therefore, if you want your child to be immunised against flu on 16th December, you will have to ensure that you return the consent form to school by **Wednesday 1st December**.

You should return the consent form by printing out the attached form and completing it, then returning it to our school reception. If you do not have printing facilities at home, please ask your child to collect a hard copy of the form from reception. Unfortunately, Vaccinations UK do not have facilities that allow for electronic submission of the form.

Please note that the school does not have any information about the immunisation process itself, and has no involvement in the consent process. If you have any questions about the immunisation process or the consent process, please contact Vaccination UK admin@vaccinationuk.co.uk.

Yours sincerely,

Dr A Sievwright

Headteacher
