6th July 2022

Dear Parent/Carer,

We have been really pleased with the success of the information evenings held in previous years aimed to help raise awareness of drugs, gangs, county lines, and the impact this can have on young people.

County lines training has been hugely helpful to school staff in understanding the worrying business of gangs trafficking drugs out to rural areas like Suffolk, via young people from age 9 upwards.

In order to continue to raise awareness across the whole school we have managed to secure INK – County Lines Schools Tour performance to come and deliver an adapted showing to our Year 8 and 9 students

We hope this will be a powerful and memorable way to ensure our young people are made aware of these issues and will help them stay safe.

The production will be taking place on Monday 11th July during period 2 and 3. Every parent or carer has the right to decide whether their child should watch and take part in this production.

If you would rather your child doesn't attend the performance, please email me at jlampard@farlingaye.suffolk.sch.uk or call me on 01394 385720.

Yours faithfully

Mr J Lampard
Assistant Head Teacher
