11<sup>th</sup> November 2022

Dear Parent/Carer and Student,

I am delighted to announce that we have organised a taster morning of Sixth Form life specifically for our year 11 students.

The morning will take place on the 15th of December and all year 11 students who wish to attend will be invited to choose four different 50-minute Sixth Form subject options to experience. Therefore, they will be off timetable all morning. Students will be given all information during an assembly next week and will then have the opportunity to select the subjects which they wish to attend.

I believe this is a fantastic opportunity to allow all students to have opportunity to experience life in the Sixth Form, use our common room at break time and most importantly get a feel for the subjects which they may wish to study the following academic year.

I am aware that the pathway to Sixth Form may not be the route that all students wish to take, therefore if students do not want to participate in this morning there will be an alternative session on progression to alternative routes taking place.

Finally, I would like to take this opportunity to remind you of our Sixth Form Open Evening which is taking place on the 12th of January from 6.15pm, I will again send more information with regards to the format of the evening nearer the event.

Please do not hesitate to get in contact if I can be of any additional support.

Kind regards,

Mrs Stuart

Director of Sixth Form and Assistant Headteacher
