16th November 2021

Dear Parent/Carer,

I hope you are keeping safe and well.

I am writing to you today to inform you about a Year 8 (Y8) PSHE workshop taking place next week. The workshop is called Study Skills Kick Start and will take place in normal lessons on Friday 26th November, during Period 3 only. All form tutors will run through the details in form time early next week. Following the successful workshop last year on Kick Starting Study Skills we are pleased to be able to offer session 2 focusing on Junior Time Management.

On the day, Y8 students will go to their normal P3 lesson and their teacher will meet them there with a presenter for the workshop.

During the workshop they will cover the following topics.

- Creating an Effective Timetable
- Revision Activities
- Planning
- Using a Study planner

Elevate Education is the world's leading study skills partner and follows up each workshop with 5-8 activities that tutors can do with students to support the topics covered in the workshops. They also provide access for all parent/carers to monthly live webinars on student motivation, study skills and time management and 12 months of premium access to the Elevate Student Portal.

This is an outstanding opportunity for the Y8s and one we really hope the students and their families find extremely beneficial.

If you have any questions at all, please do contact me at school or via email on jlampard@farlingaye.suffolk.sch.uk

Many thanks in advance for your support.

Kind regards

Mr J Lampard
Assistant Headteacher
Farlingaye High School
