Dear Parent/Carer,

Please see the link below:

[Parent/Carer Survey 2023 \(office.com\)](#)

This link will take you to a survey that we would like all households with students at Farlingaye to complete, in order to give us an insight into the experiences in school of students over the past year. Regular feedback from families is a very important part of our self-review and planning process, and the more households who give us this feedback, the more certain we can be that we are working with information that accurately reflects the overall picture. It would, therefore, be very helpful for the school if you would complete the survey. The closing date for completion will be 30th June.

If you have any questions about the survey, please contact me at Farlingaye.

Kind regards,

Andy Sievwright
