

19th June

Dear Parent/Carer,

I am writing with the details of this year's Sports Day. This whole school event is a real opportunity for all students in the school to work together with their tutor group and contribute to the team points total and to have an enjoyable and supportive day with each other. All students should be doing at least one event and we would really appreciate it if you could encourage your son/daughter to get fully involved and find out which event/s they are doing. Alongside the main athletics events there will be opportunities for all students to take part in a number of 'challenges' including a hurdles challenge, a vortex throwing challenge, a rowing challenge and a 'speed stacking' competition. With these challenges students can have multiple goes during the day and find out at the end if they have finished in the top three in their year group. We would love it if all students had a go at the challenges.

It is going to be held on Thursday 27th June between 9.25 am and 1.20 pm. In the afternoon students will have some time with their tutors and the final results will be given during an assembly in the afternoon. You would be very welcome to join us to watch and support the morning events. If you would like to attend, please come to the main school reception between 9.10 am and 9.50 am where there will be a welcome desk and you can sign in and be taken out to the field.

All students should come to school in P.E. kit and stay in it for the day; this needs to be correct Farlingaye kit please. It is important that students are prepared for all weather conditions so they will also need sun screen, plenty of water to last them all morning and a sun hat. There will be some 'ice pops' available to buy on the day. As is the case with all PE lessons, students will be asked to remove jewellery so it may be best if items of jewellery get left at home for the day.

Many of the students are very much looking forward to this whole school event and to having the opportunity to spend the day as a tutor group team, working together, encouraging each other and contributing. We hope that they all have a really fun and rewarding day.

Kind regards,

Miss Alexander
PE Faculty
