

3rd September 2024

Dear Farlingaye families

In advance of the start of the academic year, please find attached the year team lists for years 7 – 13, along with the rooms for tutor time.

On their first day of term students will need to head to their tutor room ready for an 08:55 start to the school day. The exception to this is year 12, who will need to go to the New Hall to be allocated to tutor groups on their first day.

In addition to this please be advised that the annual individual school photos are scheduled for Friday 13th September.

Years 7 – 11 will need to wear full school uniform and have their school jumper on for the photo, and Sixth Form students will need to wear clothing in line with our dress code. On the day, students will come home with a proof card for you which includes a code to be used to view proofs online, as well as further information.

Best wishes for the start of term,

Yours sincerely,

Miss Gilmour
Deputy Headteacher
