

27th November 2025

Dear Parent/Carer,

Further to the Christmas letter sent to you this morning, here are the finer details about the Christmas lunch.

The canteen will once again be offering it's fabulous Christmas lunch on the following dates:

- Years **7, 8 & 9**: Tuesday 16th December
- Years **10, 11, 12 & 13**: Wednesday 17th December

Please see the attached menu. The cost of the lunch is £4.40 This will be the only meal available on these days, however The Snack Shack will be open for a hot grab and go alternative, along with the Sixth Form Café for the Sixth Formers.

In order to assist with this, and ensure ordering for the days is correct, we will need to receive payment in advance. A payment item has been set up on Parent Pay. **Payments need to be made by Monday 8th December**, in order for the canteen to plan ahead.

If your child is in receipt of Free School Meals, they are entitled to a Christmas lunch on their relevant day and a "grab and go" lunch will be on offer from the Snack Shack on the "other" day when their year group is not in the canteen. For students in receipt of Free School Meals, **no payment needs to be made** but you will receive a **separate email** asking you to express interest in the lunch.

All Free School Meal students that have expressed an interest and those students who have paid for a Christmas lunch will be given a ticket on the morning of their selected day, which they will need to hand in when they go for their lunch. It will NOT state on the ticket they are Free School Meals.

Yours sincerely

Mr P Smith
Headteacher
