

16th November 2021

Dear Parent/Carer,

I hope you are keeping safe and well.

I am writing to you today to inform you about a Year 7 (Y7) PSHE workshop taking place next week. The workshop is called Study Skills Kick Start and will take place in normal lessons on Friday 26th November, during Period 2 only. All form tutors will run through the details in form time early next week. If successful, it will be the first of 3 workshops the Y7s will do to continue to support their transition into secondary school following such disruption for them over the last 2 years. Sessions 2 and 3 will take place later in the year.

On the day, Y7 students will go to their normal P2 lesson and their teacher will meet them there with a presenter for the workshop.

During the workshop they will cover the following topics.

- Self-Directed Learning
- Dynamic Reading
- Note Taking
- Conceptual Learning Skills

Elevate Education is the world's leading study skills partner and follows up each workshop with 5-8 activities tutors can do with students to support the topics covered in the workshops. They also provide access for all parent/carers to monthly live webinars on student motivation, study skills and time management and 12 months of premium access to the Elevate Student Portal. There will be more details to follow about these after the workshops.

This is an outstanding opportunity for the Y7s and one we really hope the students and their families find extremely beneficial.

If you have any questions at all, please do contact me at school or via email on jlampard@farlingaye.suffolk.sch.uk

Many thanks in advance for your support.

Kind regards

Mr J Lampard
