31st March 2023

Dear Parent/Carer,

As we end the Spring Term at Farlingaye and look ahead to the Summer Term, it would seem to be an appropriate time to clarify the arrangements for the use of the school site from now until the end of the school year.

The lighter evenings and the – hopefully – improved weather that we will see after the Easter break will create extra opportunities for clubs and activities (including revision sessions for Y11, Y12 and Y13 students). We very much want students to engage fully with these opportunities, and would ask you to speak to them over the next two weeks about which clubs and activities they would like to be involved with. If you need any additional information about the extra-curricular programme, please contact us at mail@farlingaye.suffolk.sch.uk

Those students who use the library after school will continue to have access to this facility and we would again encourage them to use it. Students can get information from Ms Mason in the library about the after-school arrangements for each day.

In order to ensure that the site can be managed safely, students should only be on site after school if they are in an approved and supervised activity. Students are not permitted to stay on site to use school spaces or facilities independently.

Late buses will continue to be available on Tuesdays, Wednesdays and Thursdays for those students who are staying in school to take part in a club or other approved activity. Please note that students are not allowed to go off site at the end of the day and then return to school to catch a late bus. The seats on the buses are reserved for those students who are leaving late due to their involvement in school-based activities.

I am sure that your child will be looking forward to the upcoming holidays, and I hope that they will enjoy their rest and will return to school ready to make the most of next term. I would like to wish them, and you, a peaceful and pleasant break.

Yours sincerely,

Andrew Sievewright

Headteacher
Farlingaye High School
