March 2023

Dear Parent/Carer

This is an important time for students in Year 12. Not only are they concerned about upcoming Internal Assessments in May, but they will also soon be considering their future beyond Sixth Form. As you are aware we sent a letter with regards to our Beyond Farlingaye event at the end of the academic year last week.

Many students will be thinking of applying for Higher Education, beginning these courses in 2024 and beyond. We will be explaining the application process and funding issues to students in Additional Studies lessons, once their assessments have been completed.

It is very important that parents and carers are also aware of the complex nature of the application system and the funding implications of a university place, as some of this process is changing for the next cycle of admissions.

I would therefore like to invite you to an Information Evening on the UCAS application process on Thursday 30th March 2023, beginning at 6pm in the New Hall.

The presentation should take no longer than 1 hour in total. It will include an overview of the application process and a 30-minute presentation on Student Finance by UEA. There will also be an opportunity for questions and answers relating to any aspect of the application process. There is no need for students to attend this presentation, as they will be informed via their Additional Studies lessons in June and July.

Please complete the Microsoft Form to book spaces:
