30th June 2022

Dear Parents/Carers

Activities Week - Water Lotta Fun

Please find below the necessary information for your child's Activity week activities – 'Water Lotta Fun'.

Due to very limited availability and extortionate costs of coaches to London we had to adapt and change our plans for the 'second day' of our trip for both groups. On a positive note, this reduced the overall price of the days plus Curve Watersports has very kindly offered to add extra activities on the day to make up for the lost day. These days will now be a school-based activity with details below. Students already know which group they are in (if not sure, please contact me or ask students to come and see me to make sure).

Group 1:

Thursday 14 July – School-based activities

Friday 15 July – Curve Watersports

Group 2:

Monday 18 July – Curve Watersports

Tuesday 19 July – School-based activities

For their trip to Curve Watersports please ensure students have/take the following:

- swimwear (wetsuits provided but they are optional - all students provided with lifejackets)
- a packed lunch/snacks for the day
- water bottle/drinks (no fizzy drinks if possible please)
- sunscreen (and/or a hat if so required)
- a towel
- a change of clothes

The website, www.curvewatersports.co.uk does have a FAQ section which also states that no trainers or other footwear are allowed whilst doing the activities although 'water shoes' are acceptable (the owners have said that doing the activities barefoot is definitely the best way!). Please also note that no jewellery or glasses are permitted whilst doing the activities. If possible, contact lenses or goggles should be used instead.

Timings of the day:

Group 1:

Thurs 14 July: Dining Hall @ 09:15

Fri 15 July: Bus park field @ 08:50

Group 2:

Mon 18 July: Bus park field @ 08:50

Tues 19 July: Dining Hall @ 09:15

Our school-based day will consist of water-based - and multi-sports activities plus also an easy walk down to Kingston Field in Woodbridge where students can play a variety of games of choice and also enjoy an ice-cream! Please note that a normal school lunch service will be available on the school-based days for all students who choose not to have a packed lunch.

Please feel free to contact me should you have any questions/enquiries. The staff members involved have already let me know how much they are looking forward to participating in all the activities too so it should really be a fun few days!

Yours sincerely

Mr W Hefer
Trip Leader
Teacher of Maths
