October 2021

Dear Parent/Carer

Year 10 Information Evening

You are invited to attend our annual Year 10 Information Evening on Wednesday 3rd November 2021 starting at 6.00pm.

We will be holding a carousel of three presentations in different venues each focusing on a vital area of your child's Key Stage 4 experience. These will commence at 6.15pm.

The four areas covered will be:

- (1) Study programmes and how to support your child through the GCSE years - Andrew Sievwright
- (2) Post 16 options and careers opportunities – Cathy Laird
- (3) Control the Controllables – Josh Lampard

Each of these presentations will be approximately 15 minutes and your carousel programme will be allocated to you on your arrival at school. To ease the time spent moving between the rooms, we will be using the four open areas in the Sixth Form block. Car parking is available at the front of the school and outside the Sixth Form block.

In addition there will be an opportunity to ask brief individual questions to senior staff, year group leaders and careers guidance at the end of the evening.

I do hope you will be able to attend as many parents have found the evening both interesting and useful as we approach this stage in your child's education. Please be aware that it is **not essential** for students to attend this evening. Due to the current situation we ask that only one parent/carer attend the evening and we ask that if you are displaying any Covid symptoms, you do not attend the evening. We also request that you wear a face covering during the evening. I look forward to seeing you

So we have an idea of numbers, please confirm your attendance via the link on the Schoolcomms message.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Cathy Laird', with a stylized flourish at the end.

Ms Cathy Laird
Assistant Headteacher
