Dear Parent/Carer

**RE: Year 11 Information Evening Information**

Dear All

Last week it was wonderful to see so many of you at the Year 11 Information Evening - thank you to those parents/carers who were able to attend.

I know that a number of people couldn't attend due to other commitments and also that there was a huge amount of information shared. I have therefore attached the following link to enable you to see the power point from the evening.

Together we can help to guide and advise our students to make informed choices and to work hard to achieve their goals. However, as I said on the night, this is probably the first time the students have been in control and that is exciting for them – and scary for the rest of us!

They need your patience, encouragement and care like never before - so stock that fridge, be prepared for frustration but know they really do appreciate everything you do for them even if they don't show it. There will be other opportunities to meet during the year but if you have concerns or questions, please do contact the school.

Tutors see your child every day and so are an easy contact, but Ms. Enright and I are also at the end of an email or phone.

Good luck for the year ahead

Yours sincerely

**Mrs C Laird**
