June 2022

Dear Year 11 students,

As you know things change, as of Monday the 13th of June, in terms of our expectations of your time in school and at home.

You are expected in school if:

- You have an exam
- You have a revision session before an exam
- You have a lesson in a subject where you have not taken all your exams
- You would like to work/revise in school – see the notice outside the Year office for available rooms

You are welcome to work from home when any of the above does not count.

It is very important that you sign in and out, so we know if you are on site or not. Each day there will be form lists on a table in the School Entrance and you need to note the time you arrived and the time you leave.

Good luck with the rest of your exams.

Mr G Harris
Head of Year 11
